## Monthly Tuition

- Payment is due monthly, tuition is divided into ten equal payments, from September to June.
- The dance season consists of (32) Thirty-Two weekly class sessions.
- Monthly tuition is based on the average of 3.2 classes per month.
- Some months have as few as (2) two weeks others have as many as (5) five.
- Tuition is non-refundable.
- Tuition will be charged on the 1st or the 15th of each month. (Selected at registration.)
- Tuition can be paid by debit card, credit card, or paperless check. (Select one to be kept securely on file.)
- Each month September through June, on your selected payment date, tuition will be charged via the account on file.
- If you would like to change your payment method or payment date you may do so at any time, via our online parent portal or at the studio reception desk.

## Illness

If your child has a fever or any signs of illness please keep them home. Dancers can always make up missed classes, by scheduling to attend a similar class.

## Studio Closings

- In the event of inclement weather or another emergency in which the studio will be closed we will notify you via email, and post the closing to our studio Facebook page.
- If you feel that weather conditions are not safe enough to drive to class, please do not attempt to attend class. You will be able to make up your class by scheduling to attend a similar class.
- Because tuition is based on a 32 week program, most of our class schedules allow for 4 inclement weather cancellations. However, some weekdays (ex. Mondays) have more holiday closings than other days and will require a make-up class to meet their 32 weeks of classes.
- In the event that we close for inclement weather you will receive an email with make-up class information if it is needed.
- 2021/2022 Scheduled Makeup days by weekday =
