Costumes and Performances

Christmas Costumes

Each year students participate in our holiday Christmas show. Holiday costumes are rentals and must be returned to the studio. Families will receive more information on

the holiday show and costumes in October. The costume rental fee of \$28.00/per

costume will be due in November. Rental fees cover costume use, cleaning, preparation and storage fees. Most students in one class will need one costume.

Students in multiple classes will be given the option to participate in all class performances or to choose a select few, costume needs will depend on the number of performances a student is in.

* Costume fees are non-refundable.

Recital Costumes

Students will need a costume for the June recital. Recital costumes are purchased

(not rented) for \$68.00. Students who take multiple classes are not required to participate with each class in the recital. Students may choose at registration which classes they would like to perform with in the recital. *Costume fees are non-

refundable.

For your convenience, We have made June recital costume payments easy and affordable. We simply add up the cost of the costumes you will receive and divide the total by the number of monthly tuition payments you will be making (10 if you register at the beginning of the season). We then add that amount to your tuition each month so you never have to worry about June costume fees.

Sample: 2 classes

2 classes X \$68.00 = \$136.00

\$136.00 / 10 = \$13.60 Costume payment per month

For added convenience, costumes may also be paid in full at the time of registration.

Show Tickets

Because we believe that all of our dancers should be supported on their big day, it is our practice to gift each family 2 free show tickets for each annual performance. All other tickets will be available online before the show date. Holiday show proceeds will benefit a different charity annually.

Missed Classes

Illness

- If a student becomes ill during his/her class, he/she will be asked to sit in the waiting room with a member of our staff and his/her guardians will be notified.
- We ask that you do not bring sick students to class. Please remember that you can make-up a missed class if you are sick.

Inclement Weather

In the event that the Isle of Wight County Schools close or release early due to unsafe weather conditions, Studio Seventeen will be closed that evening for all classes. We will notify students of our closing via Facebook, Email and the Remind Me Messaging App.

If you feel that weather conditions are not safe enough to drive to class, please do not attempt to attend class. You will be able to schedule a make-up lesson at your convenience.

Studio Seventeen reserves the right to cancel classes at any time for weather conditions.

Because tuition is based on a 32 week program, most of our class schedules allow for 4 inclement weather cancellations. However, some weekdays (ex. Mondays) have more holiday closings than other days and will require a make-up class to meet their 32 weeks of classes. In the event that we close for inclement weather you will receive an email with make-up class information if it is needed.

Make-Up Classes

If you are unable to attend a class it is always best to call or email us. You can schedule a make-up class before or after your missed lesson. Students can take classes in any subject that is of equal or lesser difficulty as a make-up lesson. Please contact the office to schedule a make-up class so that we can notify the instructor.
